Meeting at the Field , Weather Permitting

The President's Corner – July 29, 2019

Hello, fellow members:

Hope everyone has been able to fly around the rainstorms. We have had a good turnout on Wednesday nights and I am happy to report that we have a number of new members. This Sunday is the Neighborhood breakfast and Fun Fly for our neighbors and all club members. Officers will be cooking and they and anyone interested in helping to set up should report at 7:00 a.m. Breakfast starts at 9:00 a.m. Hope to see you there. I will be distributing flyers for the Air Show and letters for businesses who might be interested in contributing to our silent auction. In the afternoon the club will provide hot dogs (bring your own drinks) for a Fun Fly get together. Should be a good time.

Thursday, August 8th will be our last meeting before the Air Show. We will meet at the field at 6:30. This is an important meeting because we will need to finalize the details for the Show. In addition, we are looking for volunteers to help with announcing. Please give me a call if you are interested.

It has been a good season so far. Let's keep up the good work.

Bill Dexter
