**The President’s Corner – March 2, 2020**

Hello, Fellow members:  
Happy 2020! Hope you all survived the Winter Break.  
We have a lot to look forward to in the upcoming flying season. A revised Calendar of Events will be coming out shortly. Over the winter, I worked on the sanction for our Electric Fun Fly which I am pleased to announce has been approved by the AMA. The event will be held on Sunday, July 12<sup>th</sup> in conjunction with our Open House for one day only. This should be a fun time and we will need all members to help out and participate on that date as well as for our Air Show in August. We are also initiating a scholarship fund with the goal toward assisting S.T.E.M. students in Fulton County. If any of you have additional ideas, please come to the monthly meetings or contact an officer or board member.  
**Our first meeting will be held at the church on March 12<sup>th</sup>. The business meeting will start at 6:30 as usual but in order to start off the season on a sociable note, my wife and I would like to invite all members and their spouses to join us for an informal supper before the meeting. Supper will be served at 6:00 p.m.**  
I am sure everyone is looking forward to getting outdoors in the fresh air as soon as possible. Let’s remember this is YOUR club and to keep it going let’s all work together in a cooperative and respectful manner. There are a number of young people in the club now and we want to encourage them in any way we can. Let’s keep this hobby fun for all of us. Hope to see you on the 12<sup>th</sup>. If you can, bring pictures and stories about any new planes you have been working on.  
*May all your landings be safe ones!*  
Bill Dexter
