**The President’s Corner – December 3 ,2020**

Hello, fellow members:  
It looks like our 2020 flying season is coming to an end. If we get a few warm sunny hours, it would be great to take advantage of the field before the snow covers it over. The bathrooms are not open but the field is still in great shape. Unfortunately, I have come down with an unexpected, non-Covid related illness and since most of our club work is done for the year the officers and I agreed that we would not have a meeting in December. If anyone has any questions or issues which still need resolution, please call me or send me an e-mail and we will try to handle it as soon as possible. Crazy issues have plagued us all this year but thanks to **ALL OUR MEMBERS** our hobby and our club have had a successful flying season. I want to thank everyone who has taken part in keeping up the field and helping each other fly and enjoy our airplanes. I hope each of you has a project to work on over the winter. Please send pictures to Ed Plumadore for posting. It will be fun for all of us to look forward to seeing new planes in 2021.  
On behalf of Pilar, Adam and me, we wish you a wonderful holiday season. I am sorry we will not be attending the Christmas Party to be able to see each one of you personally, but please know that we wish you health and all the best for the coming New Year! And don’t forget the Chile Fun Fly on January 1<sup>st</sup>!  
Merry Christmas! Happy flying!  
Bill Dexter
