The President’s Corner – April 2, 2021

Hello, fellow members:
Welcome to the 2021 Flying Season!! Hoping this note finds you all healthy and ready to fly. Let’s get those winter projects done and in the air!
At our March meeting the attending members voted on the Schedule of Events. Please see the revised list in the newsletter and put the events on your calendar. We hope that most of the effects of the Covid pandemic will be behind us soon and we will be able to open up our events to the public. Until then, Covid protocols are in effect. For the time being, flying at the field will be for members only and masks and distancing will be encouraged.
We are asking for help in finding a member to step up to volunteer to be part of the Board of Directors. Our bylaws require that we maintain a leadership quorum of four officers and three board members. Presently, we have one vacancy on the board. The responsibilities of board members are minimal; board members are mainly called upon to provide input and guidance for the membership and the officers. We hope a member will step forward to help us continue to keep our club strong and viable. Anyone who may be interested should approach one of the officers as soon as possible.
Spring is here and the temperatures should rise soon. The field is still wet. Be careful to not create ruts. Let’s make it a great 2021 season!
Thank you.
Bill Dexter
