Weather Permitting

The President’s Corner – June 5, 2021

Hello, fellow members:

Summertime is here, the weather is good, the field is ready and the flying is excellent.

Thank you to Ron Dubray for building our new flight stations and all the members who came out to install them. They look terrific! I think we have the best field and the best members around!

Thank you also to Erik Williams, club member and AMA District 2 V.P. for featuring the Lazy 8 Float Fly event held last fall in his April 2021 article in Model Aviation Magazine. It’s always great to see our club in print.

Unfortunately, I have not been able to attend our club meetings and events over the last month due to medical reasons.

Thanks to Ed DiRossi, Ed Plumadore and all the officers for holding up my end of the club responsibilities. I miss being out there and hope to see you all in July.

Thank you.

Bill Dexter
