**The President’s Corner – October 8, 2021**

Hello, fellow members:

We had a wonderful day for the September fly-in and BBQ. Thanks to Lois, Shirley and everyone who helped out. Our next event will be the Float Fly and BBQ on October 17<sup>th</sup> at the Grandview Marina. Ed will post the exact time and location in the newsletter. It was a great time last year. If the weather holds out, we hope all of you will join us. Nominations for the upcoming elections in November are due this month. All offices are open. If you would like to nominate yourself or someone else, please let a board member or officer know as soon as possible. There are also a number of important issues to cover at our next meeting. Some of the topics include the budget which is due in November, the installation of new members and other topics which are essential to the club. We hope that you will be able to join us to participate in the discussions.

Outside of a few rain days, the weather has been great for flying, so take advantage of our beautiful field and get your planes out there. I’ve even been able to get a few good fly days in, even after losing my cub (boo!)

Keep on flying!
