The President’s Corner – April 6, 2022

Hello, fellow members:
After a long, wet winter, I am happy to announce the beginning of our club’s flying season for 2022. Our meeting is on Thursday, April 14th at 6:30 at the church. We have a lot to discuss so we hope to see you there. This is your club and the officers and board of directors would like your input in the activities for the coming year. Some of the items on the agenda will be the installation of a bridge across the creek which member Walter Santucci has donated to us. We will need some help putting it in on our work party day on Sunday, May 1st. This will be a big help to everyone when we have to retrieve any wayward planes. We will also be deciding on the recipient of our scholarship. We have received 6 applications and are excited that we have received such a positive response. Hope to see you all at the meeting. Let’s keep on flying!
